

Families supporting Kentfield Schools can earn up to 5% when they shop at Woodlands Market!

It's easy and here are three ways you can build a strong program for the New Year.

1 Get NEW families to join your program. Personalize and print [THIS FORM](#). Give to anyone who wants to support your group. The next time they shop at Woodlands Market, just give to cashier and get their card. It's so easy, nothing else needs to be done. Registration is complete!

2 Remind everyone when shopping, to present their card or give their registered phone number to the cashier when they check out. Use the Video Flyer and message below (or create your own message) for a fun way to get them to remember.

Dear <add Supporter Name>,
Please be our SUPER HERO. Remember to use your Woodlands Community Card or registered phone # when you check out. If you don't have a card, pick one up at Woodlands Market. So easy...
