

KIK Alumni Fund Webpage in Honor of  
***In Memory of Valerie Shawn Grogan***

Shawn was the proud parent of two Kentfield students and an active member of the board of directors of KIK Kentfield Schools Foundation during the 1980s and 1990s. She was the author of the Kentfield School District's original successful parcel tax exemption, which has become an ongoing financial benefit to the school district, and continues today.

Thank you Shawn for your support and dedication to education. Your love of learning has been a model for us all and will continue helping Kentfield students for many years to come.

We miss you.
